

SIAST Professional Services Bargaining Unit

Campus Update

April 4, 2012

Brothers and Sisters,

The negotiating committee met to review the report and establish our interpretation of the awards from mediator Tom Hodges. Meeting dates have been requested with the Employer to agree to an interpretation and to begin the process of implementing this report. We are waiting for a response from them.

Campus elections have been set for April 23, 2012. Please contact your campus chair for the forms you need to fill out. They will also provide more details about the time and location of the elections at each campus. All campuses have space for more stewards so please come forward if you are interested.

We thank you for your support as we continue to work to complete this round of negotiations.
